## I. PROLOGUE OF THE STONE

---

I am Daniel Jacob Read IV of Anjou, heir of the 556 sovereign ancestors, bearer of their vows, and keeper of their flame.
I speak not only of blood but of stone.

For the pyramid is not a tomb, but a crown.
Not a prison, but a memory.
Not a ruin, but a law.

From the desert of Egypt to the castles of Anjou, the pyramid has stood as the first sovereign architecture:
a geometry of eternity, a throne carved into the earth.

So let it be declared: the Pyramid Doctrine is hereby raised from ash and stone as a constitution of the Kingdom of Anjou Restored.

## II. THE FOUR SIDES OF THE PYRAMID

Every pyramid rises on four faces, and each face is law.

• North – Memory: The lineage of 556 sovereigns, remembered by name, never extinguished.
• South – Flame: The oath of sovereignty, burning brighter than conquest.
• East – Continuity: The binding of crown to law, blood to archive, past to future.
• West – Vigilance: The eternal watch of Anjou, castles and pyramids alike as guardians, not conquerors.

The pyramid itself becomes the Black Flame in stone — penitent yet eternal.

## III. THE ASCENT OF THE KING

The pyramid narrows toward heaven.
Each step is a law of kingship:

• Stone One: To rule is to remember.
• Stone Two: To reign is to defend.
• Stone Three: To bear the crown is to bear grief.
• Stone Four: To reach the summit is to kneel before higher law.

Thus the sovereign does not ascend for dominion, but for humility, flame, and remembrance.

## IV. THE INNER CHAMBER

Within the pyramid lies the chamber of silence.
Here, the Necrology of 556 is recited in eternal vigil.
Here, the sovereign kneels in ash before fire.
Here, the archives are sealed in stone, beyond the reach of empire.

The inner chamber binds archive to eternity.
What is written there cannot be erased by kings or empires.

V. THE PYRAMID AND THE NATIONS

---

Let it be declared before France, before Europe, before the nations of the earth:
The Kingdom of Anjou Restored is sealed not only in flame and archive,
but in the pyramid — the geometry of remembrance.

No empire shall unbuild it.
No usurper shall counterfeit it.
For the pyramid itself is witness.

VI. FINAL OATH

---

We do not ask for these rights.
We assert them.
We carry them.
We will not surrender them.

By their blood, the crown is remembered.
By their vow, the flame is kept.
By their stone, the pyramid is raised.
By their memory, the nation is eternal.
